

OWNER PACKED AND LOADED CONTAINER CONDITIONS

The following conditions must be met:

- We must have from client a detailed and properly numbered inventory of the contents.
- No Hazardous allowed. No ammunition etc. A Hazardous Goods Declaration must be provided or container will not be shipped.
- No firearms allowed.
- Contents must belong to One Owner. If goods are included that belong to others, then client takes full responsibility for any additional costs that may be incurred at origin or destination eg, Customs Inspections / devanning at destination port and all related charges.
- Contents must be properly stowed and lashed. Client takes all responsibility if damage incurred to container due to incorrect loading. The Steamship Line may wish to inspect the container prior to despatch and any charge will be to client's account.

The following is required to be completed and signed by the client:

PACKED BY OWNER STATEMENT

Re: Container Number

I confirm that I have personally inspected the condition of the above container inside and out and it is free from visible damage.

There are no Illegal Substances in this shipment.

There is no Hazardous Cargo in this Shipment. If applicable: Motor vehicle fuel has been fully drained and battery disconnected.

I take full responsibility for proper stowing & lashing and will be held responsible in the event that any damage is incurred during transit as a result of poor stowing/loading.

Signed.....

Name

Removal Plan Number:

Required Documentation:
